Ryan Bormann

Senior Associate

rbormann@fbtgibbons.com | 317.237.3937

111 Monument Circle
Suite 4500
Indianapolis, IN 46204

Ryan is a patent attorney and a formerly licensed professional engineer (PE) who focuses on preparing and prosecuting patent applications for a wide variety of domestic and international clients before the United States Patent and Trademark Office. He also counsels clients regarding related intellectual property issues, such as patentability and freedom to practice opinions.

Ryan's prior industry experience focused on medical devices, automotive, turbine engine manufacturing, and enterprise resource planning (ERP) implementation. Prior to joining the firm, Ryan worked in various roles at medical device companies, ran operations at an aerospace manufacturer, performed acquisition due diligence, and consulted clients regarding ERP implementations.
