Catherine focuses on regulatory compliance, transactional and corporate law matters in the healthcare industry. Within the healthcare industry, she has had the opportunity to advise healthcare businesses and providers on corporate matters including formation, structuring, and various transaction types, as well regulatory compliance matters including Stark, anti-kickback, HIPAA, billing compliance, licensing, and professional disciplinary matters.

Catherine graduated *cum laude* from Notre Dame Law School. During her time in law school, she served as the President of the Health Law Society, an editor for the Notre Dame Journal on Emerging Technology and a member of the competition Transactional Team. Catherine also completed externships at Rush University Medical Center and Summa Health System, as well as a judicial externship with the Honorable Judge John M. Williams of the Hamilton County Juvenile Court.

Prior to law school, Catherine earned her bachelor's degree in Neuroscience from the University of Cincinnati.
