Jorge's practice is focused on Intellectual Property matters, particularly utility and design patent matters in the computer, electrical, and mechanical arts. His wealth of prior experience includes supporting clients of all sizes in patent and trademark matters while practicing at a regional IP boutique firm, working as a Lean Six Sigma Black Belt for GE Aerospace, serving as a Cyberspace Communications Officer for the United States Air Force, and providing software development support as an engineer for the electric utility Florida Power & Light. Native to Miami, Florida, Jorge is also fluent in Spanish and has a deep understanding of the Latin American market.

Most recently, Jorge took a short-term career break to be a stay-at-home dad for his family.
