Ed is a partner in the Commercial Finance practice group, where he focuses his practice on a variety of commercial financing transactions, finance restructurings and general business representations.

Ed has broad experience structuring, negotiating, documenting and closing syndicated, club and single lender transactions. These include revolving and term loans, asset-based financings, secured and unsecured commercial loans, aircraft loans, dealer floor plan credit facilities, factoring transactions, real estate acquisition loans, real estate construction loans, loan workouts and restructurings.

In addition, Ed has considerable experience representing businesses and business owners in organizational, operational and acquisition/divestiture matters.
