Jason is an accomplished appellate and trial court advocate, with an established track record of success in high-profile and large-stakes litigation in both state and federal courts. He is highly regarded for his persuasive oral advocacy, clear and effective writing, keen legal analysis, and ability to clearly discern and explain the application of complex legal principles to the on-the-ground realities of clients' business and operations. He has experience in appellate and trial court litigation in a range of substantive areas, including commercial litigation, class actions and other forms of aggregate litigation, insurance coverage and defense, First Amendment and media law, administrative law, ERISA litigation, and federal and state constitutional law.

As appellate counsel, Jason is often called upon to take a fresh look at long-running litigation, and is adept at identifying and framing the issues most likely to move appellate courts. He also frequently consults at the trial court level to help develop arguments for potential future appeals and to ensure objections and errors are properly preserved for appellate review. Many of his appeals have involved questions of first impression or unsettled areas of law. He has successfully argued and briefed numerous high-profile appeals in various courts, with a particular emphasis on the U.S. Court of Appeals for the Sixth Circuit, the Kentucky Supreme Court, and the Kentucky Court of Appeals.

As a trial court litigator, Jason excels at developing legal arguments and strategies that drive outcomes in cases, particularly in cases involving complex or novel legal and factual issues. He is committed to understanding his clients' practical needs, and tailoring litigation strategies and solutions to best meet those needs.

After graduating from Yale Law School in 2001, Jason clerked for the Hon. Karen Nelson Moore on the U.S. Court of Appeals for the Sixth Circuit. He then practiced commercial and appellate litigation at Kirkland and Ellis, LLP in Chicago, IL, before moving to Louisville and joining FBT Gibbons.
