One Gateway Center
Newark, NJ 07102

June has worked for the firm for more than 25 years, beginning as a paralegal and rising through the ranks. In her various leadership roles, she has guided the firm through two decades of tremendous growth – from a 90-attorney practice in Newark to a regional powerhouse with 200 attorneys in eight offices through integration into FBT Gibbons. She is responsible for drafting policy for key areas and has influenced policy to ensure the firm is able to respond to the changing external forces that any dynamic organization regularly faces. June oversees the firm's initiatives, for example: to formulate smart growth strategies and evaluate target markets; to identify, negotiate, and custom design office space, and to serve as main firm liaison with building management; to recruit, motivate, and retain a diverse and highly talented pool of legal and administrative personnel; to equip all of the firm's professionals with the most leading-edge tools and current training in the areas of information technology, research and knowledge management, and financial administration; and generally to secure the most productive workforce and outstanding work product by ensuring the firm's seamless operation, every day.

Other Info About June

Experience

June's achievements have included:

- Leading at least eight significant office openings and/or relocations, including the firm's efforts in negotiating, designing, and moving to new state-of-the-art, 100,000-square-foot headquarters in 2007;

- Developing the Gibbons Experience, an award-winning, generous package of benefits and personnel policies that has earned the firm inclusion on such lists as *Working Mother's* "Best Law Firms for Women" and the Best Places to Work in New Jersey, New York, Pennsylvania, and Philadelphia;
- Creating Gibbons Goes Green, to help further the firm's environmentally conscious business practices;
- Working with a dedicated group of women attorneys to launch the Gibbons Women's Initiative in 1997, which won the Catalyst Award in 2009 for its development of educational programs, mentoring, and advancement of women attorneys;
- Overseeing Gibbons Cares, the firm's platform for charitable and community outreach which includes annual donations of more than \$1 million and extensive volunteer service, all in support of the communities in which the firm has offices; and
- Supervising the firm's internship programs including a week-long internship for New Jersey Law and Education Empowerment Project students and the firm's corporate intern program with Cristo Rey Newark High School, which provides work experience to economically disadvantaged high school students and has hosted more than 20 student interns since the school's founding four years ago.
