Tanya advises on complex mergers and acquisitions, strategic investments, and general corporate law. With over a decade of experience, she has led domestic and multi-jurisdictional deals ranging from middle-market to large-scale across technology, energy, financial services, and other major sectors.

She has particular expertise in the energy and digital infrastructure sectors, advising on acquisitions, investments, and strategic partnerships involving data centers and power generation assets.

She regularly advises global private equity and venture capital investors transactions across the investment lifecycle, including buyouts, growth investments, and exits. Tanya also counsels multinational corporations and financial institutions on complex strategic transactions.

## Other Info About Tanya
