BTI Recognizes FBT Gibbons in Client Service A-Team 2026

FBT Gibbons has been recognized in the BTI Client Service A-Team 2026, BTI Consulting Group's annual ranking of law firms identified by corporate counsel for delivering exceptional client service. The firm was also recently recognized in BTI's Super Listener A-Team 2026 report, underscoring its commitment to building strong client relationships through responsiveness, communication, and business-focused counsel.

In the 2026 report, leading corporate counsel recognized FBT Gibbons in all 17 client service activities BTI identifies as most valued by clients and most influential in hiring and rate decisions. These activities include understanding clients' business objectives, delivering practical solutions, anticipating needs, communicating effectively, and acting quickly on behalf of clients.

Based solely on input from corporate counsel, these distinctions highlight the firm's continued focus on understanding clients' businesses, providing practical guidance, and serving as a trusted partner on their most important legal and business matters. The BTI Client Service A-Team is based exclusively on direct feedback from corporate counsel and legal decision-makers at large organizations.
