65 Frost Brown Todd Attorneys Recognized in 2015 Chambers USA®

Chambers and Partners® has recognized 65 of Frost Brown Todd's attorneys and 12 of its practice areas across the region in the 2015 edition of *Chambers USA*®, a publication ranking attorneys and their practices based on peer and client review.

Firms and individual attorneys are ranked in bands between one and six, with Band 1 being the highest. For individual rankings, there are a series of further classifications. A "Star" ranking is granted to an attorney who receives exceptional recommendations. This ranking is noted as being above Band 1. The "Up and Coming" ranking is given to attorneys who have not yet established a reputation, but are "driving their firm's growth." An "Associate-to-Watch" is a senior associate who is recognized for their work in the background of major deals. An "Eminent Practitioner" is a highly influential lawyer in a particular practice area who, due to managerial or client relationship commitments, is less active in day-to-day work, but remains a key player on the team.

The Frost Brown Todd attorneys recently selected for ranking in the 2015 edition of *Chambers USA*® include:
