Diversity, Equity, Inclusion & Belonging

In this report, we spotlight some of our diverse lawyers, report on events to support the growth of diversity in the profession, and note some of the recognition that we have earned, individually and as a firm, for our efforts in this area.

Summer 2018 Diversity & Inclusion Report

These reports serve as ongoing periodic reviews of some of the diversity and inclusion activities that Frost Brown Todd attorneys and staff are actively involved in. We know that becoming a fully diverse and inclusive firm is a journey, but we are committed to that journey because we truly believe that we will be a better firm, and provide better client service, as a result.
