Frost Brown Todd has an active practice of experienced lawyers who regularly counsel clients on all aspect of class action defense and prosecution. After analyzing recent case law developments in the class action world, some interesting observations and predictions are offered in the Class Action Section's Class Counsel Blog Year-in-Review.

The Class Action Section is currently preparing a targeted data privacy seminar, covering cyber security, insurance, best practices to prevent (and respond to) a data breach, and the telephone consumer protection act.
