## Porter Bancorp IPO

---

On September 27, 2006, Porter Bancorp, Inc., a \$1 billion bank holding company operating in Kentucky's I-65 corridor, successfully completed a \$37.2 million initial public offering of its stock. Shares are now traded on the NASDAQ Global Market under the symbol "PBIB." The IPO closing culminated in more than a year of work by FBT's corporate department lawyers from three offices.
