Chambers and Partners® has recognized 44 of Frost Brown Todd's attorneys and 16 of the firm's practice areas across the region in the 2020 edition of *Chambers USA*®, a publication ranking attorneys and their practices based on peer and client review.

Firms and individual attorneys are ranked in Bands 1 through 6, with Band 1 being the highest. For individual rankings, there are a series of further classifications: A "Star" ranking is granted to an attorney who receives exceptional recommendations. The "Up and Coming" ranking is given to attorneys who have not yet established a reputation but are driving their firm's growth. A "Senior Statesperson" is a lawyer who no longer works hands-on with the same intensity but continues close relationships with major clients and is integral to the firm's success.
