Publication gives 19 of the firm's practice areas top rankings

The 2022 edition of *Chambers USA*® recognized 53 of Frost Brown Todd's (FBT) attorneys and 19 of the firm's practice areas across the firm's 14 markets. The publication is produced by Chambers and Partners® and ranks attorneys and their practices based on peer and client review.

The awards are divided up into several categories. Firms and individual attorneys are ranked in Bands 1 through 6, with Band 1 being the highest. FBT's Real Estate practice in Indiana was ranked for the first time in Band 3.

For individual rankings, there are a series of further classifications. A "Senior Statesperson" is a lawyer who no longer works hands-on with the same intensity but continues close relationships with major clients and is integral to the firm's success.
