AlvaradoSmith's Managing Shareholder Ruben Smith Featured in Of Counsel: The Legal Practice and Management Report

AlvaradoSmith's Managing Shareholder Ruben Smith was recently featured in the July edition of *Of Counsel: The Legal Practice and Management Report*, a respected management report for law firms and corporate law departments.

In the interview titled "Thriving Minority-Owned Firm Offers Clients Diversity of Ideas," Ruben discusses how he and Ray Alvarado set out to create a firm with diversity as a core business value and how the firm has leveraged streamlined legal services, technology, and an agile approach to compete and grow. Ruben provides insights on what lies ahead for the legal industry and how technology will continue to serve as the equalizer among firms.
