In its representation of a leading global energy sector client, AlvaradoSmith successfully closed the sale of a California refinery and terminal. AlvaradoSmith attorneys Craig Hardwick, Nitya Ram, and Jerry Ruiz successfully negotiated hundreds of assignments, amendments, terminations, waivers and insurance endorsements, to achieve an on-time closing in support of its divestment strategy. This closing marks the sixth refinery sale for the firm's Energy, Oil & Gas industry group.

AlvaradoSmith's Energy, Oil & Gas industry group helps the world's leading energy, oil, and gas producers and distributors succeed in the competitive and highly regulated energy sector. Our attorneys provide innovative and practical solutions to a wide variety of operational, transactional, and compliance challenges, and guide clients to make the well-informed business and policy decisions that lead and align with their strategic and financial success in response to a quickly evolving sector.
