Recognition

Frost Brown Todd is thrilled to announce its inclusion in the inaugural list of the Best Companies to Work For among U.S. law firms. This recognition is the result of an objective, data-driven analysis conducted by the editors of U.S. News, guided by a panel of experts, focusing on the following six crucial factors for employee wellbeing and job satisfaction:

- Quality of pay and benefits
- Work/life balance and flexibility
- Job and company stability
- Physical and psychological comfort
- Belongingness and esteem
- Career opportunities and professional development

Firms that provided sufficient data for evaluation were rated on each of these factors. Frost Brown Todd is honored to be among the law firms with the highest composite scores across all six factors, securing its place in the prestigious Best Companies to Work For: Law Firms list.

"This recognition underscores Frost Brown Todd's commitment to fostering a positive and supportive workplace environment," said FBT Chief Operating Officer Jill Burton. "We believe that our emphasis on employee wellbeing, job satisfaction, professional development, and belonging contributes to our success as a leading national law firm."

U.S. News & World Report is well known as a source of unbiased ratings and rankings that help people make important decisions. Best Companies to Work For is a free resource on our website that helps people learn more about potential employers. The ratings are not influenced by any fees or data provided by the evaluated firms.
