The Best Lawyers in America® 2025 Includes 209 Frost Brown Todd Attorneys

Additional 69 attorneys named “Ones to Watch”

Two hundred and nine Frost Brown Todd (FBT) attorneys have been recognized by *The Best Lawyers in America*® for 2025. The title of “Lawyer of the Year” went to 14 of those attorneys. An additional 69 were included in *The Best Lawyers: Ones to Watch*® list.

As one of the most credible and definitive guides to legal excellence in the U.S., *Best Lawyers* divides attorneys by geographic region and practice areas. Honorees are reviewed by their peers, ranked based on their professional expertise, and undergo an authentication process to make sure they are currently practicing and in good standing.

The Lawyer of the Year award is presented annually to a single lawyer in each practice area and designated metropolitan area. Those who earned the “Ones to Watch” distinction are attorneys with outstanding professional excellence who have typically been practicing for five to nine years.

Below is the list of FBT attorneys who were honored for 2025. The year indicates the first year the attorney was included on the list. The numbers 5, 10, 15, 20, 25, 30, and 35 denote that the attorney has hit a milestone and been listed for that many years, and an asterisk (*) denotes an attorney that is listed for the first time.
