Five Frost Brown Todd Attorneys Selected to 2025 Southern California Super Lawyers and Rising Stars Lists

Five Frost Brown Todd (FBT) attorneys practicing in Southern California were selected to Super Lawyers' top two recognition lists of the year. Four attorneys were chosen to the 2025 Southern California Super Lawyers list, while one was selected to the 2025 Southern California Rising Stars list. Additionally, Monisha Coelho was recognized on the 2025 Southern California Women's Edition list.

These attorneys represent several practice areas including business litigation, labor and employment, education, and real estate. Those selected work out of FBT's Los Angeles, Newport Beach, and Orange County offices.

Only 5% of lawyers are selected to the Super Lawyers list, and only 2.5% are named to Rising Stars. To qualify, attorneys must demonstrate a high degree of peer recognition and professional achievement.
