Three Frost Brown Todd Attorneys Selected to 2025 West Virginia Super Lawyers and Rising Stars Lists

Three of Frost Brown Todd's (FBT) Charleston-based attorneys were selected to Super Lawyers' top two list recognitions of the year. The honorees represent practice areas including business litigation and government finance. Both lawyers selected to the 2025 West Virginia Rising Stars list are being recognized for the first year.

Only 5% of lawyers in the region are selected to the Super Lawyers list, and only 2.5% are named to Rising Stars. To qualify, attorneys must demonstrate a high degree of peer recognition and professional achievement.
