Jennifer L. Bame

Frost Brown Todd (FBT) Partner Jennifer Bame has been recognized among the 2025 Client Service All-Stars by *BTI Consulting Group,* which includes lawyers who were singled out by clients — by name and unprompted — for delivering "the absolute best client service."

Bame represents employers in all manner of labor and employment matters, including federal and state litigation, appeals, and arbitrations. She is also a trial attorney who regularly obtains defense verdicts, summary judgment, and other positive outcomes for employers. Bame has successfully defended against claims brought under Title VII of the Civil Rights Act, the Americans with Disabilities Act, the Family and Medical Leave Act, the National Labor Relations Act, the Age Discrimination in Employment Act, the Fair Labor Standards Act, the Kentucky Civil Rights Act, Kentucky wage and hour law, and other state and federal labor and employment laws. She also helps employers avoid litigation by providing training and counseling on terminations, investigations, employment policies, and other important workplace topics.

BTI Client Service All-Stars are selected for recognition based on data collected in BTI's ongoing Survey of General Counsel, an in-depth interview series involving hundreds of high-level legal decision-makers representing a wide range of industries. These legal decision-makers single out each All-Star — by name and unprompted — as delivering the absolute best client service. Law firms and their attorneys have no influence on the rankings.
