Frost Brown Todd Named Among Inc.'s 2025 Power Partners in Legal Services

Frost Brown Todd has been named a [2025 Inc. Power Partner](#) in Legal Services, a prestigious recognition that honors B2B organizations that play a pivotal role in driving the growth and success of entrepreneurs and small businesses.

The Power Partner program is Inc.'s "definitive ranking of the best vendors and suppliers for the small- and midsize-business market," according to the publication.

Selections are based on an extensive review process that includes client testimonials, quantitative feedback and editorial research conducted by Inc. to identify companies that consistently provide exceptional support and value to their partners.

Each year, Inc. identifies companies across industries that demonstrate exceptional dedication to helping their clients achieve measurable results. Frost Brown Todd earned this distinction based on strong feedback from business clients who praised the firm's ability to deliver practical, results-driven counsel that supports innovation and expansion.
